

## A Woman Was Made For Man

“And the LORD God said, It is not good that the man should be alone; I will make him an help meet for him”, Genesis 2:18.

God did not create them separately to live separately, for God took part of the man to create the woman.

It was to be a Godly orchestrated institution of a man and a woman living together, having, by the union of marriage become as one. Without that union they are but separate entities, each having their own existence called a ‘life’.

Simplicity in itself. One man, one woman.

In the English language, there are two sayings, “When you are at the top, there is only one way yo go – DOWN”, and “When you are at the bottom, there is only one way yo go – UP”.

If we now visualise a triangle, we have a pinnacle, and a baseline called Earth. Place God at the top, Satan at the bottom right, and man at the bottom left is between the two.

Man, at the bottom left can look upwards towards God, and God can look down at man, or man can follow Satan along the baseline.

Satan, bottom right, is moving away from God, not wishing to look back.

Jesus, speaking to His Disciples, said, “And the seventy returned again with joy, saying, Lord, even the devils are subject unto us through thy name.

And he said unto them, I beheld Satan as lightning fall from heaven”, Luke 10:17–18.

In the prophecy our Lord gave to John, He said, “And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him”, Revelation 12:9.

Satan, from the Garden of Eden until now, has not ceased to attempt to draw men and women to walk outside God’s original concept.

Created to fulfill the institution of marriage and become as one, it is the forerunner of God’s Plan that His Son should become the Groom, and the Church would be the bride.

Without that union men and women are but separate entities, each having their own existence called a ‘life’.

Simplicity in itself. One man, one woman.

It was lust Satan used through Eve in the Garden to encourage Adam away from God's Ordinances.

The lusts of sexual sins and perversions, with Satan using the woman's body to stimulate lust within the man, thereby usurping and destroying God's established institution of marriage.

We hear of very few condemnatory sermons of extra partners being physically introduced into the marriage bed

We now have ministers performing a marriage ceremony between two males or two females.

Satan's plan of divide, conquer, and replace God's ordinances is generally being accepted world-wide.

Governments are happily supporting Satan's plans by financially supporting broken families.

Leviticus 18:6-23 – just eighteen verses – emphasises the fact that one man and one woman is the basis of God's ordinance established in the Garden of Eden.

God created one woman for one man. Anything beyond that has contravened God's Commands.

“Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?

If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which temple ye are”, 1 Corinthians 3:16-17.
