

## Abortion

On the 18th June 2011, they anticipated that the population of Australia would be 22639630!

For the year 2009, they estimated that 85–90,000 abortions had taken place, with less than 2% for absolute medical reasons, the remaining 98% plus were for social or economic reasons.

I believe there are several points that need to be considered when they ask us, as Christians, the question, “What will God say if I have an abortion?”

It is even worse when the person asking claims that they have been in a Christian Faith.

My question at this point is, “Why are you asking me? You should be asking God”. Their majority will answer “Because God will say ‘No’”. (I have yet to speak to a non-going church lady. They just go off and have the abortion, and if they fall pregnant again, it is back to the doctor!)

If ever there was an instance, where a lady could have considered a termination of her pregnancy under the Law of her day, it was Mary, the mother of Jesus. The Mosaic Law demanded that both the man and the woman be stoned to death.

Did Satan, even in his wildest dreams of his desired supremacy, conceive the idea that man could stone God to death?

To the lady who says, “What will God say if I have an abortion?”, your problem is no greater than when the Israelites reached the Red Sea.

There will be very few people who read this who have not been to the seaside. You can stand on the shoreline and see an island – about five miles offshore – offering you refuge.

With no other means of transport than your own two legs, how are you going to get to the island?

You have reached a point where, no matter what you do, you will never get to the island. You do not need human help, you need Divine Guidance.

We are all involved in this journey called life. We must keep an eye out for one another and be willing to make that extra effort to encourage one another.

If you will not seek Divine Guidance regarding that life within your body,

God is going to say 'Murderer'.

Please continue to bear with me, as I get to where I believe God wants.

You go to Church. You are a member of a beautiful Church family. A new family has joined itself to you, your Church, and Church family. Very quickly you become aware that, They are extremely poor – just like the unborn foetus, They are close to being illiterate – just like the unborn foetus, They will need much personal help in the future – just like the unborn foetus.

There are many people in this world who have been hurt by the Church and its people.

Next time you meet a person such as above, don't seek an abortion. When you hear that someone is facing a problem don't seek an abortion.

Remember that when one of us is threatened, we are all at risk, God is the only victorious leader in our lives, "But thanks be to God, which giveth us the victory through our Lord Jesus Christ", I Corinthians 15: 57. "To the only wise God our Saviour, be glory and majesty, dominion and power, both now and ever", Jude 1:25.

God has not gained or lost any power since he parted the red sea. He has guided you in the past. He will guide you now and be with you in the future.

As I said earlier, God has given you two legs, they have a flexible joint at the knees, we can walk with Him.

"And it came to pass, that, while they communed together and reasoned, Jesus himself drew near, and went with them. But their eyes were holden that they should not know him. And he said unto them, What manner of communications are these that ye have one to another, as ye walk, and are sad?" Luke 24:15-17.

"But why dost thou judge thy brother? or why dost thou set at nought thy brother? for we shall all stand before the judgment seat of Christ. For it is written, As I live, saith the Lord, every knee shall bow to me, and every tongue shall confess to God", Romans 14:11-12.

There is also the Spiritual abortion where a Christian aborts his walk with the Living God, and spiritually dies.
