

Ask the King

I believe the Lord is speaking to everyone in this world – not just the Americans – after the terrible chaos in America. And what were the most likely words God used?

“What have I said?”

Has anyone heard the Lord say "Retaliate?"

Has anyone heard the Lord say "Rebuild bigger and better towers?"

Yet in the news today various steel firms in America are attempting to produce steel casing for high rise buildings that will not be penetrable by jet airliners!

With all the threats that are being uttered by both ‘Christian’ and ‘Moslem’ alike, what happened to the phrase 'In God we TRUST'. Or is that phrase pushed to the back because God cannot be relied upon to co-operate with man’s posturing and his threats.

'In God we TRUST.' For what? Of course we trust you God to run your church, but this is different. You look after your church, and we’ll take care of these troublemakers.

People have crowded into churches, mosques, temples, and cathedrals. They have walked out with tears in their eyes, and a beautiful warm feeling flooding their inward parts and the thought “We have done the right thing.”

Did anyone hear God say, "This is true revival.”

People are still grieving. They want to get their lives back to normal. They are grieving for something they don’t know instead of grieving for the peace of God in their lives, which, in turn will make them truly resilient people.

I have not heard God’s voice in these matters. I have yet to hear an apostle, prophet, evangelist, teacher or pastor say that he or she has heard God utter these things.

God has repeatedly warned that punishment, often through evil acts, will come against our wicked ways. It is also imperative that we heed the punishment, but more so what it was given for.

God has said that no idols will stand in His presence. How then can we

say that we will take revenge? How then can we plan retribution? Ego is the idol of both revenge and retribution.

God is looking for people to fill His kingdom. He is not looking for a nation, race, or creed, or even physical symbols denoting a work done.

God is looking to rebuild His kingdom with His people living in His house.

How will this be accomplished? Not by POWER. Not by MIGHT. But by His Spirit. Where? On the ashes of man's shattered idols.

The message then is "REPENT! RETURN TO ME!" "RETURN TO ME and MY PRECEPTS!"

Consider the following

Humpty Dumpty

HUMPTY DUMPTY SAT ON A WALL
HUMPTY DUMPTY HAD A GREAT FALL
ALL THE KING'S HORSES AND ALL THE KING'S MEN
COULDN'T PUT HUMPTY TOGETHER AGAIN!

So why didn't anyone ask the King?
For He is the maker of everything.
He can come by His Spirit and by His Power
To make it all right in less than an hour.

When your life seems to be falling apart
You're at your wits' end and losing heart,
Don't rely on the strength of horses and men.
But call on the King who died for your sin!

You've wept all your tears, and tried to run.
You've griped and whined to everyone,
Quit sitting there among your shattered pieces.
Lift up your voice and cry out to Jesus!

Humpty Dumpty sat on a wall
Humpty Dumpty had a great fall.
But when he called to the King, his Friend,
Humpty was put together again!
